

# Student Driver Agreement

Updated 7/17/2020 -lr

Students and Parents/Guardians of Student Drivers must review, accept, and sign this agreement prior to students driving to school:

- Only students with valid drivers' licenses may drive to school
- All vehicles driven to school must be inspected, registered and insured
- Students must park cars in designated student parking spots on the campus
- Students must display a parking permit on their dashboard while parked on campus
- The fee for parking on campus is \$50.00 for the academic year payable to *The Founders Academy*; if a student applies for a parking permit after February 1, the fee will be prorated to \$25.00 for the remainder of the academic year
- Students must obey all the traffic and parking policies at the school
- All Attendance Policies must be followed
- Students may sign out and leave the campus for their designated lunch period but must return and sign in on time for the following period
- No student may transport any other students during the school day
- Students must maintain mastery grades and have no significant behavioral issues to continue leaving school grounds
- Students may sign out and leave at 2:15pm if they have an end of day study hall - with written parent permission
- Students may sign out and leave after midterms and finals if they are done for the day afterward
- The Founders Academy is not responsible for damaged or stolen vehicles or contents
