**Request for Proposals**

*The Gladstone Area Schools is accepting bids for the following Networking equipment.*

Quantity 50:

- Meraki model MR56 (equivalent or better) Wireless Access Point with required enterprise cloud controller licensing for each AP (5 year minimum, with optional 7 year term)
- All APs must also include standard ceiling tile rail/wall mount hardware

- Bid to include shipping (if applicable), which will be indicated as a separate line within the bid.

- All pricing shall be valid for at least 120 days from the due date of the bid

The district reserves the right to decrease the quantity of the equipment within the bid based on overall budget (yet to be determined). Bid should reflect equal unit cost (example: if district reduces quantity by 50%, total bid would be reduced by that identical amount).

All invoices (dated) on or after July 1, 2021.

If equipment will arrive after July 24, 2021, please state the reason and estimated arrival date.

Gladstone Area Schools is applying for Universal Service Fund monies for this project. The vendor must be an approved service provider and include their SPIN number with the bid. Erate program details are available at <http://www.usac.org/sl/>

Bids shall be received on or before March 4, 2021, 3pm EST at
