

Terry Arp
Education Foundation Board President

Terry Arp has been a State Farm Insurance Agent for over three decades. He takes great pride in protecting his clients against the risks of every day life and providing aid when the unexpected happens.

Terry believes that communities "live and die" by the reputation of their school system. As president, his goal is for the foundation to help ensure that MISD is the most attractive district in all of Central Texas for public education. Furthermore, he wants families to make McGregor their home.

Terry is also a member of the McGregor Rotary Club and Chamber of Commerce. He obtained a Bachelor of Business Administration from Baylor University in 1977. He resides in McGregor with his wife, Darlene, and they have three grown children. In his personal time, Terry enjoys time with his grandchildren, personal fitness and spending time in his backyard.
