Follow up on suggestions made by Chris Horan at Communications Workshop. He outlined suggestions about what to do to make communications stronger, now we must decide how to implement them.

Committee discussed a time-line for moving forward and whether it was better to act now or wait until the new superintendent comes on board and how to best use Mr. Horan's services as a resource going forward.

Committee discussed a suggestion put forward by Rich Eckel regarding email communications between the SC and constituents. After a thoughtful discussion, the committee agreed that it is best for the Chair to respond to constituent email on behalf of the committee so that there is "one voice" representing the committee in all communications. Mr. Horesh will touch base with Mr. Eckel to follow up.
