Club Constitution Guidelines – All are required by all clubs

Preamble Vision Statement

- States the name of the club
- States the purpose for the club

Article 1 Membership

- States the criteria for membership in the organization, including any dues if necessary
, Note: All club members should maintain a quarterly GPA of 2.0 to participate in club activities.

Article 2 Officers

- States the offices of the organization -- These should include at least a President, Vice-President, and Secretary or equivalents
- States the duties of each office in the organization
- States the criteria for holding each office in the organization
- States the method for electing officers for the organization

Article 3 Awards

- Specifies the awards under the supervision of the organization and requirements for those awards

Article 4 Constitution

- States how the constitution may be amended and / or vacated
- States how the constitution will be ratified Notes

The above guidelines are the minimum requirements for constitutions. Please add any other important information for governing the organization to your constitution. Constitutions should be officially ratified by each organization
