Dear Families,

COVID-19 DAILY UPDATE

The Monroe County Department of Public Health reported two new positive cases in our District since our last communication on Tuesday. They are an Irondequoit High School student and an Iroquois Middle School student.

MCDPH's contact tracing determined that both cases were the result of community spread with no close contacts happening in school. Click the link to learn more about the definition of "[close contacts](#)" by MCDPH. Per federal privacy laws, we cannot disclose any more details or personally identifiable information about this case. If you have questions about contact tracing and/or quarantining, call the [MCDPH](#) COVID-19 Hotline at (585) 753-5555 or email COVID19@monroecounty.gov.

For all COVID-related updates/resources, visit our [COVID-19 Information page](#).

NEW COMMUNITY CONNECTIONS

Just a reminder: Our new "Community Connections" Zoom video webinar series starts next week. Please join myself and a few other key WICSD leaders at 6:30 PM on Tuesday, Jan. 26 to discuss our first topic: The District's efforts toward Equity, Diversity & Inclusion. We will email parents/guardians a link next week to join the conversation!

In partnership,

Aaron R. Johnson, Ed. D
Superintendent of Schools
