Dear Families:

COVID-19 UPDATE

Since our last communication on Monday, March 1, the Monroe County Department of Public Health has reported five new cases in our District: Three students at Dake Junior High School, one student at Irondequoit High School and one IHS staff member.

Per federal privacy laws, we can't disclose any more details or personally identifiable information. If you have questions, call the [MCDPH](https://www.monroecounty.gov/info/mcdph) Hotline at 753-5555 or email COVID19@monroecounty.gov. For all COVID-related updates, please visit our [COVID-19 Information page](#).

We have now surpassed 1,000 rapid tests administered randomly to students/staff to monitor our schools. Including this afternoon's results, we have done 1,039 tests with only two positive cases since Jan. 14, 2021.

Our next report is scheduled for Monday, March 8.
