December 14, 2020

Greetings,

Today, Gov. Cuomo announced updates to the [NYS Micro-Cluster Strategy](#) that did not impact West Irondequoit. We remain a Yellow Zone. As a reminder, as a Yellow Zone we were required to test 20% of our in-person students and staff and if the results were lower than the current regional positivity rate at the time, we were not required to test again. We completed our tests prior to Thanksgiving with zero positive results. As of now, we are not required to continue testing our in-person students and staff. We'll continue to monitor the Governor's guidance this week. If our district is elevated to an Orange Zone we will be required to commence testing within a few days. The latest NYS Dept. of Health guidance on Orange and Red zones can be found [HERE](#).

DAILY COVID-19 Report

The Monroe County Department of Public Health confirmed today three new cases across our District:

- Two students at Irondequoit High School
- One student at Dake Junior High School

MCDPH's contact tracing determined these cases to be the result of community spread with no close contacts made in school. Per federal privacy laws, we cannot disclose any more details or personally identifiable information about these or any cases. If you have questions about this case or others or about contact tracing and quarantining, call the [MCDPH](#) COVID-19 Hotline at (585) 753-5555 or email COVID19@monroecounty.gov.

For all COVID-related updates/information, visit our COVID-19 Information Page at [THIS LINK](#).

In partnership,

Aaron R. Johnson, Ed. D
Superintendent of Schools
