

## UNITEDHEALTHCARE DENTAL TEMPORARY ID CARD

**Dear UnitedHealthcare Dental Subscriber:**

Thank you for signing up for the UnitedHealthcare Dental Plan. In the near future you will receive a permanent UnitedHealthcare Dental ID card in the mail. In the meantime, you can access your dental benefits and use the temporary UnitedHealthcare Dental ID card we have provided below. (You do not need a dental ID card to visit a dentist, but it can be helpful.)

Please follow these simple instructions to access your dental benefits:

1. Write your name and Subscriber ID Number on the temporary UnitedHealthcare Dental ID card below. Cut out the card and present it to your dentist at your next appointment. Once your permanent card arrives in the mail, please discard the temporary card.
2. If you have any questions about your dental benefits please call 1-877-816-3596. If your dentist would like to verify your eligibility in the UnitedHealthcare Dental plan, or has other dental plan questions, please have him/her call 1-800-822-5353.

3. Please submit dental claims to this address:

UnitedHealthcare Dental  
Attn: Claims Unit  
PO Box 30567  
Salt Lake City, UT 84130-0567

**Please note:** This card is temporary and does not provide the detailed information that will be included on your permanent card.

**Welcome to the UnitedHealthcare Dental Plan. We look forward to serving you. Your satisfaction is very important to us—we encourage you to share your feedback about our dental plans by calling our toll-free number, 1-877-816-3596.**

**Fill out this temporary dental ID card, cut it out and present it to your dentist:**
